

R. G. W. BONANZA
BRANCH OF WESTSome Figures Concerning Earn-
ing Capacity of the New
Line to Garfield.

THERE ARE MILLIONS IN IT.

Road Which Cost \$600,000 Will An-
nually Gather in Close Upon
\$2,000,000 in Receipts.

Possibly the best investment in the way of a branch road in the west today, will shortly be opened for regular business by the Rio Grande from Bingham to Garfield. While the road cost in the neighborhood of \$600,000 for construction it will easily bring in a revenue of \$1,500,000 a year.

The fact that the different smelter concerns are spending \$4,000,000 out at Garfield in the erection of huge plants creates some surprise that they did not go further, and another million and build and operate the road themselves, for they would have made money from the start. But then there are wheels within wheels in transportation circles.

It will take 12,000 tons or one daily to keep the new smelters and concentrating mills going. There will also be an immense tonnage of coal, coke, lime, salt, etc., with merchandise and supplies for the residents of the new smelter town every month. All of this will be hauled by the Rio Grande, or to be more correct the majority will be.

The branch when completed will be 22 miles in length and nearly round hauled from Bingham into the new smelter town will go down in on what is practically a down grade the entire distance. The wear and tear on motive power will be reduced to a minimum and the load can be hauled by single engines, while the empties will go back on the up grade.

When it comes to the hauling of ore alone, 12,000 tons daily for a year at 30 cents a ton foot up to the next figure of \$1,374,000. However it is understood that the rate agreed upon is slightly less than that figure, but on the other hand it is safe to assert that a larger tonnage than the figure given will be hauled because that is the minimum limit in order to keep the smelters going. The original figures accordingly can stand at \$1,374,000 for ore shipments.

With the freight receipts on coal, coke, bullion, merchandise, material, etc., and the passenger receipts the new branch should annually earn for the Denver & Rio Grande a little over \$2,000,000.

"YELLOWSTONE LIMITED."

New Train Goes Into Commission on
O. S. L. June 17.

The conference between General Superintendent E. Buckingham and General Passenger Agent D. E. Burley of the Oregon Short Line yesterday resulted as anticipated in the "News" by the decision to put on a new train between Salt Lake and Marysville, Idaho, daily, to take care of local business and Yellowstone park travel generally.

The new train, which will be permanent, will be known as the Yellowstone Park Limited, and will leave Salt Lake at 8 p. m., arriving in Ogden at 9:05; Pocatello, 2:30 a. m.; Idaho Falls, 4:20 a. m.; St. Anthony, 5:50; and Marysville at 6:30 a. m. Returning the train will leave Marysville at 8:40 p. m.; St. Anthony, 9:20; Idaho Falls, 11 p. m.; Pocatello, 12:50 a. m.; Ogden, 6:10 p. m., and arrives in Salt Lake at 7:30 a. m.

The equipment will consist of baggage car, smoker, chair car and standard sleepers. There will also be a diner on the St. Anthony branch, which will give passengers an opportunity of getting breakfast and supper.

This train will relieve the local traffic now being handled by Nos. 8 and 9, and will make its initial run Sunday, June 17.

SOME "HOT AIR" RUMORS.

According to the Boston Commercial George Gould has lost control of the Denver & Rio Grande.

According to the Reno Gazette the Southern Pacific is going to operate through to Green River, Wyo.

According to a local paper the Oregon Short Line headquarters are going to be moved to San Francisco.

According to—but what's the use.

SPIKE AND RAIL.

H. H. Twining, son of the district superintendent of the Pullman company has resigned his position with the ticket office of the Salt Lake Route.

H. G. Bush, traffic manager of the Colorado Midland, arrived from Denver on No. 5 yesterday in his private car "Casade."

E. Z. Handley of St. Louis is loading a train of horses at Faust on the Salt Lake Route today for consignment to the eastern market.

The Oregon Short Line will operate the first excursion of the season to Idaho today and a number of fishermen in consequence have been overhauling their tackle.

Word was received here today that the Marysville branch of the Rio Grande Western has been cleaned up as far as the washout blockade is concerned. Commencing this morning trains are running as usual.

W. A. Clark, Jr., son of Senator Clark of Montana, is on his way here with a carload of race horses en route to eastern tracks. He would have arrived here this morning but was delayed owing to the breakdown of the special horse car pulling out at California.

There is a party of Kentuckians in town today en route from Los Angeles to Louisville via the Salt Lake route and the Rio Grande. They are going east to be present at the horse show festivities which is quite an institution in Kentucky. The party is traveling in its special car.

T. C. Davidson, general baggage agent at Los Angeles for the Salt Lake Route, is here today with his family which he is bringing from Omaha to their new home in California. Prior to going to the Clark road, Mr. Davidson was connected with the Union Pacific for seven years.

H. M. McGregor, traveling passenger agent for the Union Pacific, is in Goldfield working up interest among the local lodge of Elks in the special train that is to run over the Southern Pacific to Denver for the accommodation of the B. P. O. E. on the occasion of the national gathering this summer.

W. W. Dickinson of the New York Central lines has issued a bulletin of the arrival of an assistant at domestic headquarters. The appointment was effective June 1. The title of the lad has been left entirely in the hands of the general manager at headquarters. Official circulars in this connection are expected to issue on or about the 15th.

UTAH GIRL IS
ROBBED ON TRAINHow Miss Mamie Powell of Lehi
Met a New Friend and
Lost \$215.

WAS EN ROUTE TO ALBERTA.

Suspect Also a Woman, 'Told Hard
Luck story and Was Arrested
For Doing Touch Act.

A special dispatch to the News at Butte, Mont., from Dillon, the same date, under date of June 7, says:

Miss Mamie Powell, a Mormon girl from Lehi, Utah, on her way to Alberta, Canada, is short \$215 and long on experience. Mamie Doe was arrested on a charge of making the touch. She was afterwards released.

The robbery occurred on the train between Ogden and Dillon. According to the story of the complaining witness, Mamie Doe got on the train at the Idaho border and took a seat with Miss Powell. She soon became confidential and confided to her seat mate that she was in hard luck, without food or money, and almost starved. Miss Powell divided her lunch with her and gave her 75 cents with which to buy her next meal.

ROBBED WHILE ASLEEP.

The girl dropped to sleep and when she awoke found that her hand bag had been rifled of a \$150 check and \$65 in cash. She at once suspected her seat mate and telephoned to Dillon to have her arrested. Under Sheriff Dyer met the train at the depot. As he entered the car Mamie Doe got off on the other side and walked rapidly toward town. She was later arrested in a Chinese restaurant after the train had departed.

GAVE HER \$20.

She strongly denied the theft. A search revealed some money on the woman's person, but no check. She gave Miss Powell \$20 to help her out, she said. Miss Powell could not identify the money as hers, and the authorities did not believe a conviction could be secured, so Miss Doe was allowed to depart.

IS HYSTERICAL.

Miss Powell was in a hysterical condition. It is her first experience away from home. She will leave for Alberta this afternoon. She has a through ticket. Finding Miss Doe was not on the train after it left Dillon, Miss Powell got off at Melrose and came back to this city to hunt her up. The unfortunate girl is the object of much sympathy.

"PHOENIXVILLE" RAMPANT.

Some Lestest News of Developments
In San Francisco.

In a private letter received here today by one railroad official from another in San Francisco some interesting information regarding the outlook in "Phoenixville" is forthcoming. He says:

"Since my letter of May 29 in regard to conditions prevailing here, was written, there have been several permits issued for the erection of large buildings, and it looks now as if a number of them would be in course of construction by Oct. 1. You will be pleased to learn that the Sharon estate has decided to rebuild the Palace hotel. It will be 10 stories high with a court, some what after the old plan; estimated cost, \$3,700,000. The managers now have a complete list of all the railroad offices, and are going to take up with them the proposition of erecting their leases. The banks are now nearly all located at or adjacent to their old sites, as have also quite a large number of merchants. The debris is being rapidly moved by the steam roads as well as by wagons and an air of confidence pervades the atmosphere. A goodly number of first-class dry goods houses, such as the White House, Samuel's Lace House, Newman & Levinson and the Emporium, have secured leases on Van Ness avenue, which will tend to make that street a good thoroughfare. Fillmore street, however, is the busiest of all, and from the many improvements which are going on, the prospects are bright. The program as published was the most important street, although Van Ness avenue will shortly be a strong rival."

SHAM BATTLE TODAY.

High School Cadets Complete Regular
Camp Duty.

The Salt Lake High School cadets have completed their regular season of camp duty at Lagoon, and left this morning for Farmington canyon, where they went through a sham battle this afternoon.

It has been the most successful camp yet held by the High School cadets, and its good effects will no doubt be apparent in the work of the corps next year.

Yesterday was the gala day of the encampment. It was inspection day, and thousands of the friends of the young soldiers combined an afternoon of sight seeing in camp with an evening of dining at their guests after the day's work was over, and a dinner had been enjoyed in the new restaurant.

At 7 o'clock last night, the most beautiful feature of a day's camp duty was witnessed by a great throng of people. It was the retreat parade, and was gone through with faultlessly after the careful drill given the youngsters by Capt. Webb, formerly of the Utah batteries.

The soldiers will return this evening from their outing to Farmington canyon, and tonight will sleep at Camp Fisher, as usual. Tomorrow morning the individual competitive drills for honors will be held, and in the afternoon, Rev. Goshen will address the boys. An effort is being made to extend the time of the encampment until Wednesday, and it may be successful.

CLUB RENAMED.

One Known as the "Authors" Changed
To "R. E. L."

A well known women's club of this city has recently been re-named. It was organized in 1892 and later entered the federation under the name of the Author's club. It will now be known as the R. E. L. club.

Some of the members felt the name was somewhat misleading, but nothing was done in the matter until quite lately, when another club, composed of men and women, professional writers, was organized in this city last winter, under the name of the Author's club, the older club decided to change its name. It will now be known as the R. E. L. club.

During the past year the organization

has devoted most of the time to English literature, especially the study of Browning. Three art lectures have been given, one by Mr. Lee Greene Richards, and two by Mrs. Louise Richards-Parnsworth. Altogether the year has been profitably enjoyable.

The outgoing officers are Mesdames Laura H. Merrill, president; Amy B. Lyman, vice president; Mary L. Gowans, secretary; Harriet B. Harker, treasurer; Augusta W. Grant, critic; Eliza S. Bennion, critic; Elizabeth S. Wilcox, historian. The club will soon go on a field day excursion.

THE PRIMARY WORKERS.

Morning Session Addressed by Elders
Hyrum Smith and David McKay.

The conference of the general Primary association resumed its sessions today, a meeting being held in the Fourteenth ward meetinghouse at 10 a. m., when the following program was rendered:

Singing, "Our Work and Our Wealth" Congregation.
Prayer Congregation.
Singing, "Dare To Do Right" Congregation.
"A Lesson, Its Preparation, and Presentation" Congregation.
Remarks Elder David McKay.
Remarks Elder Hyrum M. Smith.
Singing, "America" Congregation.
Benediction Congregation.

The building was crowded to its utmost capacity, and the addresses of Elders Smith and McKay were listened to with rapt attention.

This afternoon a ward conference is in session in the Sixteenth ward meetinghouse, and tonight a reception to Primary workers will be held at Salt Palace.

Sunday concert by Held's band at Salt Palace, commencing at 8 p. m.

LATE LOCALS.

New Bank Building—T. J. Armstrong has the contract at \$3,500, for building the foundation of the new building on Market street, between Savings Bank and Trust company, and is now at work.

Board Met Today—The city board of education met at noon today and considered the report of the committee on buildings and grounds in regard to the necessary repairs on the school buildings during the summer vacation.

More Rain Coming—The weather man has taken a switch from the expected to the unexpected, and more rainy weather is prophesied for the morning, with cooler weather. The rainfall over the country was light yesterday, except at Detroit.

Bounty On Eggs—Charles Barker, a lad who resides just outside the city limits, today established a new record for sparrow egg bounty. He brought to the sheriff's office 110 dozen of the eggs and received a bounty of \$1.00. The county auditor for \$3.50 as bounty, the largest amount ever paid to one boy at any one time for sparrow eggs.

To Give Reception—A reception will be given by the guilds of St. Mark's and St. Paul's churches, in honor of the new dean of St. Mark's, Rev. Benjamin Brewster and wife, and the visiting clergy of the jurisdiction, next Thursday evening, at the Episcopal residence, 444 East First South street, from 8 until 11 p. m. The friends of both parishes are invited to attend.

Articles Filed—A certified copy of the articles of incorporation of the Colorado National Assurance company of Denver, a life insurance organization, was filed in the secretary of state's office today. The capital stock of the company is \$250,000, divided into shares of the par value of \$100 each. B. B. Brown is president; H. L. Sears, secretary; D. C. Jackling of this city is resident agent for Utah.

Savage Returns—A. F. Savage, cashier of the Murray State bank, has returned from Denver where he went to look over the auditorium plans, with a view of having an immense auditorium erected at Murray. While away he visited the mayor of Denver, who told him of his plans for an auditorium, and had a conference with its architect, Robert Willison. It is the plan to erect in Murray on the site of the present Trocadero hall a first proof auditorium, with basement and main floors, lobby and a modern conveniences for conventions. It is planned to cost \$35,000 and to have a 66 foot stage.

Organ Recital—There was a large attendance yesterday afternoon, in the Tabernacle at the regular organ recital, when Prof. McClellan officiated at the console following his return from the east. The program as published was deviated from, the Lemare "Andantino" being substituted for the second number, "To a Wild Rose," by MacDowell was added, and the last number was "Pomp and Circumstance," by Elgar. The technical difficulties of the latter composition are considered even worse than the Tannhauser overture, and for successful performance call for the highest technical virtuosity. The first symphony movement is one calling for a thorough knowledge of orchestration as the basis of organ registration, and can be made effective only by the highest musicianship. In the performance of both of these the organist was very happy as he also was in a paraphrase of his own on the Russian hymn, as the old melody which was a beautiful work in harmony and modulation.

CONTEMPT OF COURT.

For This Offense Man From Eureka
Was Fined \$75.

Judge Lewis yesterday afternoon fined Arthur Walleraker an undertaker from Eureka, \$75 for contempt of court because he talked with George Dwyer, a juror, concerning a case upon which the latter was serving. In imposing the fine Judge Lewis stated that he did not believe that Walleraker intended to try and influence the juror in his consideration of the case otherwise the fine would have been much heavier. Walleraker at once paid the fine and the case closed.

Dwyer was a juror in the case of Henry Rasmussen against the Union Pacific Coal company, which was tried a few days ago, and Walleraker was a witness for the plaintiff. The two men had known each other for years and one evening during the trial they met on East Temple street when Walleraker told Dwyer that the company had offered Rasmussen \$2,000 rather than go to trial.

The jury returned a verdict in favor of plaintiff for \$10,000 and Dwyer was the only one who did not agree to the verdict and held out for a smaller amount. Afterwards he told another juror that they did not give Rasmussen much more than the company had offered him. This reached the ears of Judge Lewis in some manner whereupon Dwyer was called up and questioned as to the talk about the compromise offered.

The court then instructed the district attorney to bring contempt proceedings against Walleraker which resulted on the latter being fined as stated above.

COURT NOTES.

A decree of divorce has been rendered by Judge Armstrong in favor of

plaintiff in the case of Elizabeth Wald against Charles Wald. The ground for divorce was failure to support.

Suit has been filed in the district court by Fred J. Kiesel & Co. against Antonio Sciutti and wife to recover \$256.86 alleged to be due on an account for merchandise sold to defendant.

The will of Stanley B. Milner was admitted to probate today by Judge Armstrong and Mrs. Truth A. Milner was appointed as executrix without bonds as provided in the will. The estate is valued at about \$50,000.

A petition for letters of administration of the estate of Joseph Henshaw, who died on Oct. 1, 1905, has been filed in the probate division of the district court by Matthew E. Henshaw. The estate consists of personal property of the value of \$3,299.

The jury in the case of the Utah National bank against Cornelius H. Hunt, G. H. Stephens and Fred Stephens, which was tried in Judge Lewis' court, today returned a verdict in favor of plaintiff for \$4,696. The action was brought to recover on a promissory note.

R. M. Woolley has filed a petition in the probate division of the district court asking for letters of administration of the estate of Eliza M. Woolley, who died on May 18. The estate consists of real property of the value of \$3,900.

In the case of A. F. Rice against J. A. Largent a judgment by confession has been entered in the district court in favor of plaintiff for \$342. The action was brought to recover on a mining transaction in which stock in the Black Butte Extension Gold Mining company is involved.

A petition for a writ of habeas corpus has been filed in the district court in behalf of James E. Powell, who was sentenced to three months in the county jail for failing to provide for his children. Powell was sentenced by Justice Bishop of Farmington. He now claims that the sentence imposed upon him is contrary to law and therefore asks to be released from custody.

Three default decrees of foreclosure of mortgage were rendered by Judge Ritchie in favor of the Western Loan & Savings company. J. H. Jensen and wife were defendants in one case and the amount of the judgment was \$1,952. Hiram Burk and wife were defendants in another in which the judgment was for \$428. In the third case S. Matthews was the defendant and the amount of the judgment was \$387. H. M. H. Lund was appointed receiver of the property in all three of the actions taken during the same and attend to the rents and profits received.

Mrs. Sophie Condie today filed a petition in the probate division of the district court asking for letters of administration of the estate of Joseph Condie, who was killed at the Rio Grande sheep on May 4. The estate consists of real property of the value of \$4,000.

A decision was rendered by Judge Ritchie in the case of Eliza Watson, appellant, against F. W. Lewis and the city court in which it was held that the city court has no jurisdiction to set aside a judgment after the statutory time for making such motion is passed and hence the judgment rendered in favor of plaintiff for \$50 is still in full force but can not be enforced by execution because the defendant has not legally set aside the judgment in the case. The judgment was rendered by former Judge Tanner in the city court on June 27, 1904, and on Oct. 12, 1904, the defendant came into court and showed that there had been no legal service of the summons upon him and hence the court set the judgment aside. Judge Ritchie now holds that under the circumstances the city court had no authority to set the judgment aside as such action was only within the province of a court of equity. The judgment still stands but no execution can be issued upon it.

SENATOR J. K. JONES

DECLARES FOR BRYAN.

Washington, June 9.—Former Senator James K. Jones of Arkansas, two times chairman of the Democratic national committee and one of William J. Bryan's closest friends, called on the president today. Afterward he declared for Bryan's nomination of the Democracy for the presidency.

"I believe Bryan is the logical candidate for the Democratic party," said Senator Jones, "and my judgment is, he will be the nominee and will make the race under the Democratic standard for the third time. If he makes the race, I think he will be elected."

"I am inclined to doubt whether Bryan wants the nomination. Two races for the presidency ought to be enough to satisfy any man, but if the convention should nominate him I do not think he would refuse to run. I believe he would stand for any other candidate who espouses the same principles he espouses."

MRS. MADDEN GETS DIVORCE.

Cincinnati, June 9.—Mrs. John E. Madden was today granted an absolute divorce from her husband, the horseman on the ground of gross neglect. This ends the litigation which has continued in this state and Kentucky for several months.

Judge Littlefield, who granted the divorce, and previously ordered Mrs. Madden be paid \$250 a month alimony, that decree having been agreed to by Mr. Madden, who provided for the income through a farm at Lexington, Ky.

WHERE IS W. D. OWEN.

Indianapolis, June 9.—William D. Owen, former congressman and secretary of state, has been absent from the United States for a year according to information here. He is believed to be in Europe. The last heard of him was from Indiana travelers who say they saw him in Switzerland. It is known here what action the authorities have taken toward having him arrested.

He was indicted in Massachusetts.

TEBEAU CASE POSTPONED.

Louisville, Ky., June 9.—The cases of President George Tabeau, of the Louisville baseball club and of Richard Padden, manager of the St. Louis team, who were arrested for their conduct in the ball park over a decision by acting umpire Kenna were today postponed until June 19 when the St. Paul team will return to Louisville.

INTER-SCHOOLISTIC MEET.

Chicago, June 9.—The annual inter-schoolistic meet of Chicago university was held on Marshall Field today. Seventy-three schools from 10 different states, with a total of 234 entries were represented.

The states from which the contest-

ants came are New Jersey, Kansas, Michigan, Ohio, Illinois, Iowa, Wisconsin, Missouri, Indiana and Minnesota.

BLACKBURN SUCCEEDS GORMAN.

Washington, June 9.—At a meeting of the Democratic senators today Senator Blackburn of Kentucky was elected chairman of the Democratic conference to succeed Senator Gorman.

GREAT SOCIAL FUNCTION.

Tokio, June 9.—A reception given by American Ambassador Luke Wright this evening was one of the most brilliant social functions ever seen here. Nearly 300 persons were present, including cabinet ministers, members of the diplomatic corps, several generals and admirals and many court and civil officials.

PERSONALS.

Mr. and Mrs. C. T. Odell and daughter, Miss Adelaide Odell, have returned from the east, where Miss Odell has been in school.
